

As everyone is well aware of the seriousness of COVID-19, The Petersburg EMS Department would like to reach out to all citizens and assure you that it is our priority to take preventive measures that pledge our community's health. We would like to let everyone know that the EMS Department is here for the you. We are screening employees before and after every shift. In hopes to prevent this virus from spreading, we would like to ask everyone to use this self-screening tool. If you answer yes to ANY of the following questions, please call your Doctor and stay home.

Do you have any of the following symptoms:

A fever of 100.4 or greater? Yes or No

New cough? Yes or No

New shortness of breath/breathing difficulties? Yes or No

Symptoms such as muscle aches, fatigue, headache, sore throat, or diarrhea? Yes or No

Have you been around anyone who has been sick with cough and/or fever, and has traveled out of the country within the last 14 days? Yes or No

Have you been around anyone in the last 14 days that is a Confirmed case of COVID-19? Yes or No

Please listen to and follow the directions of our STATE AND LOCAL AUTHORITIES. If you feel sick, stay home. Do not go to work. Contact your medical provider. If someone in your household has tested positive for COVID-19, keep the entire household at home. If you are an older person, stay home and away from other people. If you have serious underlying health conditions that could put you at increased risk, stay home. It is our civic duty as citizens of our community to follow the instructions provided by our healthcare experts and our government, and ensure we go above and beyond to keep us healthy by working together.

Trendon Carter,
EMS Director
